

EVERY CHILD, EVERY COMMUNITY, EVERY DAY

MARCH 2026

A NOTE FROM THE DIRECTOR

Dear Friends,

I want to extend my heartfelt thanks for your faithful support of CEF® Wyoming. Your prayers, encouragement, and generosity continue to make it possible for us to reach children across our State with the life-changing message of Jesus Christ. Every Good News Club®, 5-Day Club®, Christmas Party Club®, every gospel conversation, every child who hears that God loves them, your partnership makes this ministry possible.

This year, we are aiming to reach even more children with the gospel, and your partnership is absolutely critical in making that vision a reality. There are still so many young hearts in Wyoming who have yet to hear the Good News, and together, we can bring the hope of Christ to them.

As we look ahead, I am also prayerfully appealing for new State Board members. We need individuals who are willing to step up. Strong leaders with a heart for ministry and a passion to see more children reached for Christ. Strong State Board members who provide spiritual guidance and vision, lead to a strong ministry, and a strong ministry means more children hearing the gospel. If God is stirring your heart, or if you know someone who would be a great fit, we would be grateful to connect.

Thank you for standing with us. I'm grateful to serve alongside you as we continue this mission with faith, joy, and expectation for what God will do.

For the Children,

Ricardo Hosein

CYIA® WINTER BLAST

We are excited to share what God did at this year's CYIA Winter Blast! We had 95 students registered and 90 attending, making it one of our strongest Winter Blast weekends yet. It was a blessing to see students from across Wyoming gather to grow in their faith, build friendships, and be encouraged in their walk with Christ.

Throughout the weekend, students heard powerful testimonies from their peers, spent time in God's Word, and were strengthened through prayer and devotions. On Sunday, we worshiped together as a group in church, which was a meaningful moment for many.

One of the highlights of the weekend was a concert put on by the band AIR, a group made up of our CYIA Summer Training Pastor, several CYIA students, and a few additional musicians. Their heart for worship created a powerful and memorable night that deeply impacted the students.

Even without snow, the weekend was packed with fun. Students enjoyed roller skating, a trip to the mall, and plenty of time to connect and build community. God used this Winter Blast to prepare hearts, strengthen faith, and spark excitement for the ministry opportunities ahead this summer. We're grateful for every student who attended and for everyone who supports and prays for these young missionaries.

CYIA® SUMMER MISSIONARY TRAINING

Christian Youth In Action® summer ministry training is scheduled for **05-13 June** and we are stepping into this season with excitement and purpose. This year, our goal is bold and faith-driven: to **train, equip and support 100 students** through CYIA training and summer outreach.

CYIA is a vital part of our mission. It equips students to share the Gospel, serve their communities, and grow as young leaders. When we invest in CYIA, we invest in the next generation of ministry.

TCE™ Level 1 Accredited Training

This year we will also be offering TCE™ Level 1. This accredited course is designed to equip older students and adults to be even more effective in teaching children. TCE 1 provides practical, biblically grounded instruction that strengthens teaching skills, deepens understanding of child evangelism, and prepares participants for long-term ministry impact.

To make this summer successful, we need the support of our community in three key areas:

1. Volunteers

We need adults willing to serve, mentor, transport, supervise, and support our students throughout training and summer ministry.

2. Finances

Your financial support helps cover training costs, materials, travel, and scholarships for students who otherwise could not participate.

3. Prayer Partners

Prayer is the foundation of CYIA. We are asking for committed prayer partners to lift up our students, staff, and the children we will reach this summer.

CYIA is critical, not only for reaching kids with the Gospel, but for shaping students into confident, compassionate leaders who will carry their faith into every part of life.

GOOD NEWS CLUB®

Good News Club® (GNC®) has resumed throughout Wyoming. Our prayer is bold and hopeful: that every school and every community in our state would host a thriving, Christ-centered GNC, where children can be reached with the life-changing truth of the gospel. We are planning to add a few more Good News Clubs this year. Continue to pray with us about this.

Hosting a Good News Club is more than a once a week event, it's a long-term investment in the spiritual development of a new generation and the outreach mission of the church. We would love to partner with you to reach the children in your community.

CAMP GOOD NEWS®

Camp Good News® is a place where faith comes alive. Children are encouraged, challenged, and supported as they learn to follow Jesus in practical, age-appropriate ways. Whether a child has attended for years or is joining us for the first time, they'll find a welcoming community ready to help them grow, explore, and thrive. We can't wait to see what God will do in the lives of campers this summer.

This year we will have three Camp Good News locations: in the Southeast, Central, and Northwest Chapter.

As we prepare for another incredible summer, we are committed to keeping camp affordable so every child has the opportunity to attend, regardless of their financial situation. To make this possible, we rely on the generosity of individuals and churches who believe in reaching the next generation with the Gospel.

This year, we are asking our ministry partners to prayerfully consider supporting Camp Good News through financial gifts. We are in need of an additional **\$10,000 to support two additional camps this year.** Your contribution directly provides scholarships, supplies, meals, and program materials that make camp safe, meaningful, and spiritually rich for every child. When you give, you're not just funding a camp, you're investing in eternal impact.

CHRISTMAS PARTY CLUB®

It may feel like Christmas just ended, but our mission never pauses and neither does the opportunity to reach children with the Gospel. This year, we're challenging every chapter, church partner, and volunteer team to begin preparing now for our Christmas Party Clubs. These clubs are one of the most effective outreach tools we have, opening doors to share the Good News with children and families who may never step inside a church. Early preparation means more clubs, more volunteers trained, and more children reached when the Christmas season arrives.

By planning ahead, recruiting volunteers, and building partnerships throughout the year, we can multiply the number of Christmas Party Clubs offered in December. Even though the calendar says March, the harvest is already waiting. Let's rise to the challenge and make this year's Christmas Party Clubs the biggest and most impactful yet! Thank you to all those who hosted and supported clubs last year.

CHILDREN REACHING CHILDREN

Children Reaching Children is a ministry dedicated to equipping kids (ages 8–15) to confidently share the Gospel with their peers through the Go and Tell training program. This interactive experience teaches core Gospel truths using color-based tools, provides practical witnessing materials, and incorporates group teaching, small-group discussion, and partner practice.

It's a powerful resource that fits seamlessly into your existing church ministries. We would love to partner with you as you equip your children to share the hope of the Gospel in their schools and neighborhoods.

RESOURCE NEEDS FOR OUTREACH

Praise: We are grateful to share a wonderful update on God's faithful provision for our ministry. After several months of praying, waiting, and trusting the Lord's timing, He has provided both a vehicle and a laptop, two essential tools that will strengthen our ability to serve across Wyoming.

Although the process took time, God's timing was perfect. We are deeply thankful for His provision and for the faithful partners who prayed and supported this need. He continues to show that He equips His people for the work He calls them to do.

Matching Gift Opportunity for CYIA Training

We are excited to share another wonderful blessing. A generous supporter has provided a **\$2,100 matching gift** specifically toward our **CYIA Training**. This means every dollar given toward this need will be doubled until the match is met. What an incredible opportunity to equip and prepare young missionaries who will share the gospel with children all across Wyoming this summer!

We invite you to prayerfully consider giving toward this need. You can give safely and securely through our website. There are **no fees for giving online** unless you choose to, **so 100% of what you give is what we receive**. It's simple, fast, and avoids postage costs or deposit delays.

Your support helps raise up the next generation of gospel-focused leaders.
